" .... At this stage, we are not inclined to pass any order of stay. However, we direct that all stakeholders must keep a separate account in regard to the collections on the basis of the impugned order. It is made clear that in case the appeals succeed, the individual subscribers making any excess payment in terms of the impugned order will be entitled to adjustments for the succeeding month from respective LCOs/MSOs. Similarly, the LCOs will be entitled to adjustments from the respective MSOs and the LCOs and the MSOs from the broadcasters".
